

Membership Team Leader

Do you have prior successful sales experience? Effective membership recruitment with other organizations? Strong track record developing, implementing, and managing processes and procedures? Confidence and enthusiasm for interacting with people in person and on the phone? If so, we'd love to hear from you!

The **Membership Team Leader** recruits and retains both Full members and Social members (social members participate in all activities and can access preferred services, but do not benefit from volunteer-provided services).

Location

The **Membership Team Leader** will work at home and attend meetings and events in the Walnut Creek area.

Time Commitment

Expect to spend 25 hours/month on your responsibilities and attend two meetings/month.

Benefits

The **Membership Team Leader** has a key role in launching the Village and sustaining its operation. The Village exists for the benefit of members and relies on the income from member dues for much of the funding needed. The **Membership Team Leader** has the opportunity to meet and welcome every member and communicate the peace of mind belonging to the Walnut Creek Village can provide
